

ITI Study Club

ITI Cornwall Study Club presents:

Bring a doozie! Theme: getting implants in the right place

Tuesday 21 April 6.45-9.00pm

Aims

Encourage attendees to bring along cases for discussion on the topic of planning ideal dental implant placement.

Objectives

- To show what sequelae can arise in the future when implants are not placed in the ideal location
- To discuss the parameters involved in suitable implant placement

Venue:

This is an online meeting

Fees:

ITI members: FREE Non-members: FREE

This Study Club entitles you to 2 hours CPD

To attend this Study Club please contact Paul McGannity (paul@watersidedentalcare.co.uk) with your preferred email address so that you can be added to the online meeting.

ITI members should also register via ITInet

If you would like to share a case with the group please contact Paul.

Since this is the first online meeting, guests are very welcome and it will not count as one of your two free meetings before being asked to become an ITI member.
