

ITI Study Club

ITI Cornwall Study Club presents:
Hands-on Occlusion part 1:
Facebows and Articulation
with Seán O’Conaill and Paul McGannity

Thursday 12 May 2022 6.30-9pm

Aims

To give delegates hands on experience in using a facebow registration

Objectives

At the end of the workshop participants will:

Know when a facebow record can help in planning or delivering treatment

Perform a facebow registration on a colleague and have the same for themselves to facilitate articulation of their own models on a semi-adjustable articulator

Please bring printed or poured models of yourself

Venue:

Waterside Dentalcare, Penryn TR10 8AW

Fees:

ITI members: FREE Non-members: FREE*

This Study Club entitles you to 2 hours CPD

To attend this Study Club please contact:

Kate Williams at Waterside Dentalcare

* non members are welcome to attend two ITI meetings before becoming a member

If you would like to discuss the benefits of ITI membership, please contact Paul McGannity paul@watersidedentalcare.co.uk

www.iti.org

Co-hosts:

**Dr. Seán O’Conaill &
Dr Paul McGannity**

Seán and Paul are experienced dentists in managing patients with complex restorative treatment needs.

They both completed a full-time MSc at the UCL Eastman Dental Institute and treated patients in the prosthodontic department at the Eastman Dental Hospital.

Seán and Paul are practice principals at Penryn Dental Practice and Waterside Dentalcare respectively.

They know the importance of understanding the principles of assessing patients’ occlusion and working within the limits of the patient’s determining factors to predict how they articulate their dentition.
